

GPO2017 General Venue Rules

There will be security in operation in the hall during the tournament this year, we ask for your understanding and patience with this.

Personal checks will be made on entry to the event. No drinks, food (or weapons) of any kind will be allowed.

As many of the pinball machines have been loaned to the event from private collections, we ask that you treat them with due respect. Death saves and violent movement of the machines will not be tolerated and may lead to exclusion from the event.

We also request that no drinks, glasses or bottles are placed on the pinball machines. If placed under the machines then please ensure they cannot be accidentally knocked over.

Smoking is not allowed inside the venue, only either outside or in designated smoking areas.

Additional toilet cleaning facilities are being provided throughout the event which will be paid for by voluntary contributions in order to minimise costs. This will ensure clean facilities for everyone so we again ask for your understanding.
